Y O S H I M I

Regarding tamagoyaki, it is made from domestic glutinous rice and kneaded with a large amount of corn. It has a crispy texture and rich flavor. In addition, we focus on the unique flavor of roasted corn and pursue the aroma of soy sauce. We've also added dried corn so you can enjoy natural sweetness and crunch. This is a light rice cracker; a snack that will remind you of Sapporo's customs and customs every time you eat it.

## Tamaki(puffed food)

"Quietly on the broad street, It would be nice to have roasted corn on an autumn night."

-Ishikawa Takuboku

Talking about the symbols of Sapporo streets, It's Odori Park. Together with the aroma of Chase's roasted corn. This is the scenery poetry of Sapporo Eating grilled corn from Odori Park in summer. The happiness in Sapporo citizens' childhood memories. I want to preserve the happiness in my memory Hand is born Oh! Tamaki.

## Boxed cheese tamagoyaki (puffed food)

Tamamiyaki uses Japanese domestic rice, and you can feel the natural sweetness of the rice. Its texture is light and crispy, and it is sprinkled with a mixture of cheddar cheese and Gouda cheese. You will never get tired of eating it.

In addition, block dry cheese is added to make the taste richer. Eating the crispy tamagoyaki and the crispy bits of cheese is mesmerizing. The tamagoyaki and cheese cubes bring a pleasant dual taste. You'll fall in love with it once you take one bite, and you'll finish it without paying attention. "Shibago Tamaki" made by YOSHIMI

Even the pairing of casual snacks with beer and wine is outstanding and leaves people with endless after-taste.

## Fujiya × YOSHIMI Tamaki flavored cookies

It has been a popular product of YOSHIMI since its release in 1984. It has a rich soy sauce flavor and the natural sweetness of corn.

The flavor of soy sauce faintly exudes the sweetness of corn! One bite is full of childhood memories, a taste loved by everyone from children to adults.

Individually packaged, easy to carry, suitable for afternoon snacks or travel snacks.

I'm glad I came to YOSHIMI's restaurant.  
She was glad to have found YOSHIMI's souvenirs.  
So that you can think so,  
I will continue to refine my mind and skills.
